NURTURING FAITH, LOVING NEIGHBORS

Our church has adopted MinistrySafe as a church policy designed to facilitate a safe and nurturing environment in which children can grow in relationship with Jesus. This policy is for the safety of our children and to protect the integrity of our church.

We need anyone that plans to volunteer at an event involving children (Vacation Bible School, Truth Seekers, Sunday School, Winter Fair) to sign off on the MinistrySafe policy manual.

This form, acknowledging that you have read the Ministry Safe policy manual, needs to be signed annually. Thank you to those that signed last year and we appreciate your time signing again. We would like forms to be signed and returned each year by May 1.

THANK YOU for being such an important part of our church and youth ministry!

The MinistrySafe policy manual is an overview of procedures and guidelines for our BSPC volunteers and staff members. Please review the attached document and print the signature page. Please sign this page and return it to the Ministry Safe envelope at the church carousel. If you would prefer and are able, you may sign the page, scan it and email it back to the church office at office@bspconline.org

If you are unable to open the attachment or print off the signature page, hard copies will be available at the church carousel.
